

## There's Always a Place for Me (JCC song)

© 2009 Emily Aronoff

### Chorus

G C9 D G x2

There's always a place for me  
And my family  
My favorite place to be  
Is at the JCC

### Verse:

G C9 D G x2  
D C9 C9 D x2

I came in with a binkie, and I'll go out with a book  
Everyday we learn and grow, just take one quick look  
I learn to play and use my words, about what is right and fair  
I learn my colors, how to count, make friends and how to share

### Chorus

### Verse 2 (to be sung when appropriate)

The Shabbat Party every week might be the most fun  
Our families and all the school celebrates as one  
We light 2 candles, bless the juice and sing our Sabbath Prayer  
My favorite part is the Challah, there's enough to share!

### Chorus
